Dear TwentyNine Palms Resort Guests,

No matter what time of year you are visiting, there are an abundance of things to see and do in and around Twentynine Palms all around the Southern California region! Our resort is a wonderful short-term visit experience, as well as, an excellent "base of operations" for long-term visitors.

Some of our guests never want to leave the Resort and the adjacent Road Runner Golf Course, but if you want to venture beyond the park for an "outing" for a day or a bit longer, we have compiled a list of our favorite things to do. Enjoy!

We have prepared more extensive information on some of the activities on our list, and there are brochures on many of the activities listed. For any questions or additional information you might want, please visit us in the office.

If you are visiting during the Resort's High Season (November - April), there are a host of special activities going on at the Resort every day! Be sure to get a copy of the Calendar of Events and to check all bulletin boards that announce the various guest activities. If you like poker, coffee, dancing, exercising, relaxing, and eating (and lots more!) you are in the right place!

Our staff is here to help! Stop by the Resort Office anytime. And remember, the Resort Store has stocked things that you many need for your rig, gifts and cards for all occasions, and most importantly everything needed for a last minute dinning! We also have beer, wine, and a wonderful selection of ice cream treats!

The Resort Store is open seven days a week from 8 a.m. to 5 p.m.
